

- ROCKY FORK TRAIL MAP -

ROCKY FORK TRAILS ARE NOT MARKED. There are secondary roads and trails within the Rocky Fork Watershed which are not featured here, therefore, this map is only offered as a general guide for recreational users. GPS, topo map and compass skills are strongly recommended for Rocky Fork backcountry travel. This map is not a substitute for common sense, solid outdoor skills and good preparation. **No claim of accuracy is made; no responsibility or liability is assumed herein! Travel at your own risk.**

NOT PERMITTED – Horses, motor vehicles, fires and camping are currently not allowed.
PARKING – Very limited at main gate; please leave room for others and **do not block gate.**
FISHING REGS. – Special regulations are strictly enforced from the main gate upstream.
BEARS – RF is prime habitat; know the dos and don'ts of traveling in black bear country.
