Name _____ Date _____

FOR THE RECORD

A.T. BLOWDOWN PARTY - DECEMBER 10, 1083 - J. J. Sirola

Actually weeds and briars, not blowdowns, were the targets of the last maintenance trip of this season. Troublesome patches in Bishop Hollow and from Roan Highlands Shelter to Yellow Mountain Gap were cut to size in unusually warm December weather and despite a few errant North Carolina deer hunters. Helping out on this trip were Doug Lowman, Ed Oliver, Jeff Sirola, and Frank Williams.
