

Directions to Eastman B-310 Toy F. Reid Employee Center

From I-81 South

Take I-81 South to I-181 North (Exit 57B to Kingsport) (approx. 6 miles).

Take I-181 to Exit 52 at Meadow View/Marriot Hotel and Conference Center:

Exit from Meadow View and take a right turn toward the stoplight at Wilcox Drive (approximately 100-200 yards). You will notice a golf course on both sides of this road.

At the stoplight, turn left onto Wilcox Drive and travel on Wilcox until you cross the Holston River (approx. 1-2 miles; you will see the Eastman complex on your right along both sides of the river).

After crossing the bridge over the river, you will come to a stoplight. Proceed through the stoplight on Wilcox, but prepare to take the very next left into the parking lot for Eastman's Toy F. Reid Employee Center (Bldg. 310) is the first left after you pass the stoplight. Park anywhere and proceed to the lobby entrance. The receptionist can advise which room we will be using.

If you proceed to the large brick and tinted glass building on your left with a sign in front that says "Eastman Corporate Office", you've gone just a bit too far and need to go back across the parking lot.

If you get lost call Larry Bailey 423-967-0945 or Mary Bailey 423-967-5164 or the Receptionist at 423-229-3771.
